Hard Hat Construction Supply

Attention: Gary "Buda" Daehne

**CERTIFICATION**  
**Hard Hat SS Cure / Hardener / Dustproofer**

This letter is to certify that Hard Hat SS Cure / Hardener / Dustproofer, as manufactured by SpecChem is an exact equivalent to SpecChem Cure Hard also manufactured by SpecChem. These products when applied in accordance with the manufacturer's written instructions, will not inhibit the adhesion of secondary toppings or adhesives designed to adhere to concrete.

Hard Hat SS Cure / Hardener / Dustproofer is a penetrating sodium silicate that helps cure and densify the surface of properly placed and finished concrete. SpecChem also certifies that Hard Hat SS Cure / Hardener / Dustproofer contains a minimum of 9% sodium silicate.

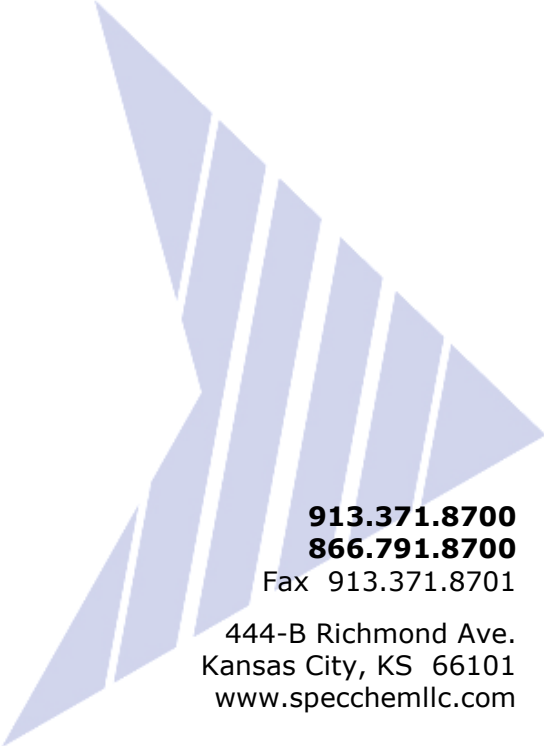

Hard Hat SS Cure / Hardener / Dustproofer meets the requirements of USDA.

Please let us know if we can be of further assistance.

Sincerely,

A handwritten signature in black ink that reads "Dennis S. Salley".
